

# iPad Contribution Scheme 2018/19

Issue 1, 26<sup>th</sup> June 2018

For 2018/19, we are pleased to be able to offer new students the option to purchase a discounted iPad via a monthly payment scheme, in conjunction with our supplier (Academia Ltd). All options include a **2 year insurance plan** (covering accidental damage and theft), **3 year extended warranty** and **STM Dux case** to protect your device.

In addition, for Option 1, Portsmouth College will pay the equivalent of £6 per month towards your iPad, reducing your monthly payment to the equivalent of **£9.84** (see note 1) – please see overleaf for more information.

If you qualify for a bursary (see note 2) the College will provide you with an iPad Mini Wi-Fi 16GB at no cost, for as long as you are a student. This device will remain the property of the College and **you will need to return it when you leave**. You can of course still choose to sign up to the contribution scheme if you would like to own an iPad.

Finally, if you already have an iPad, you are of course welcome to use that in College. However, please note we cannot accept any liability for damage or loss to your own equipment whilst being used at College.
